

New Classroom Routine Social Narrative

We are going to do some new things in my church classroom.

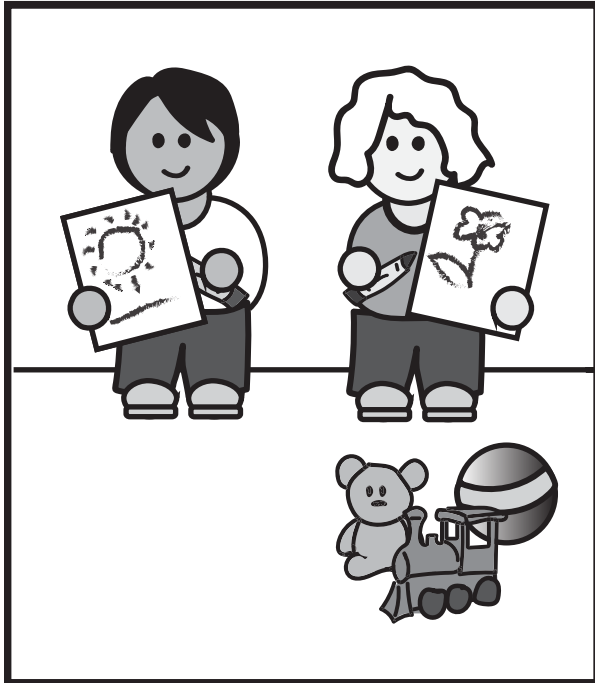

When I get to church, our class schedule may look different.

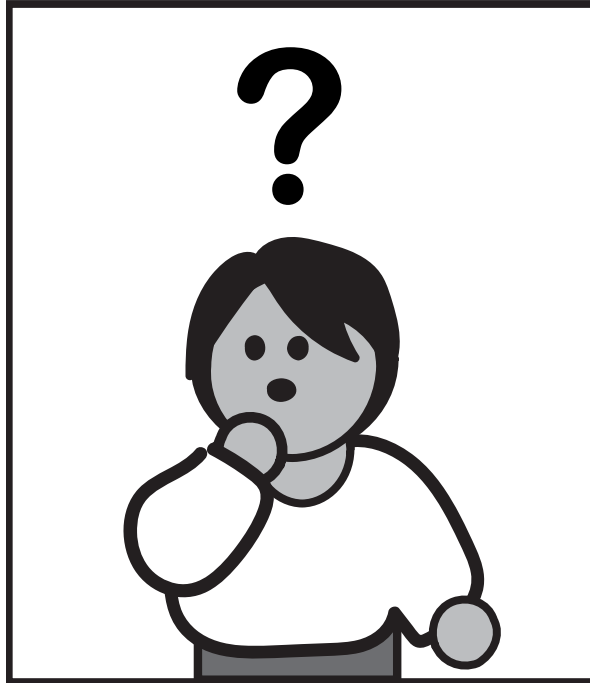

Our class may go to new parts of the room, or we may visit new parts of the church.

Our class may try some new activities.

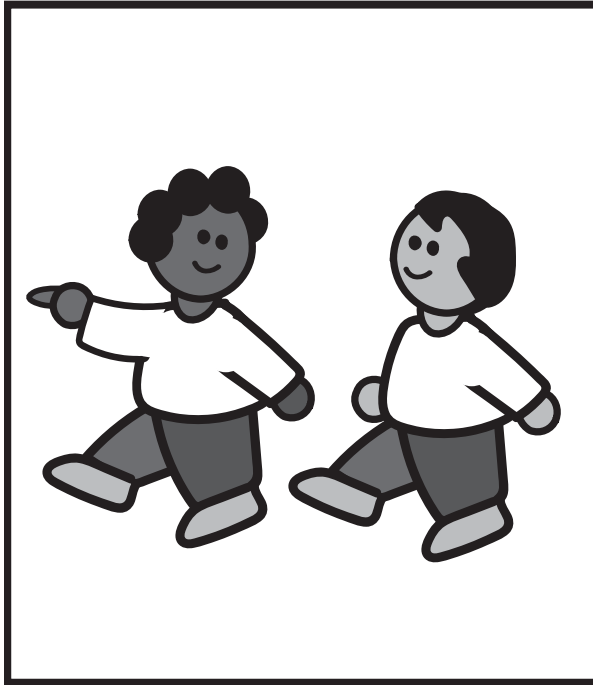

I might have questions about the new things.

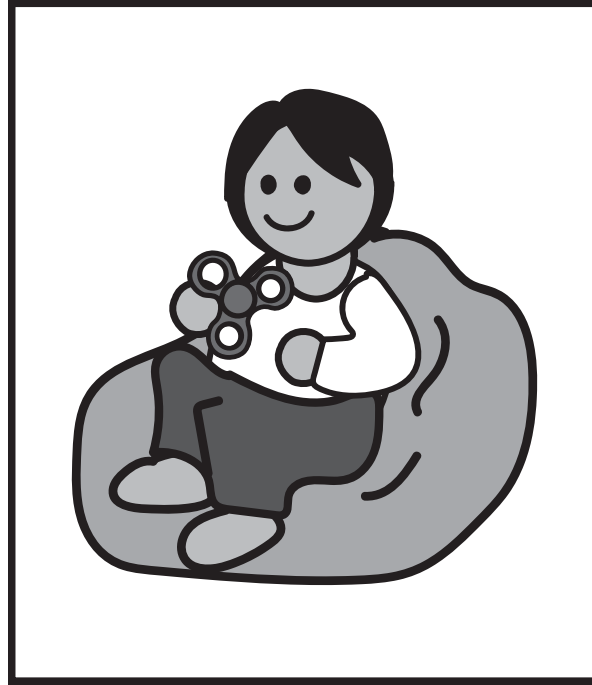

If I do, I can ask my teacher for help.

Or I can ask a friend.

If I start to have big feelings, I can ask for a fidget or a break.

When class is over, my family will come pick me up.
