

VBS Social Narrative

My church is going to have
Vacation Bible School.

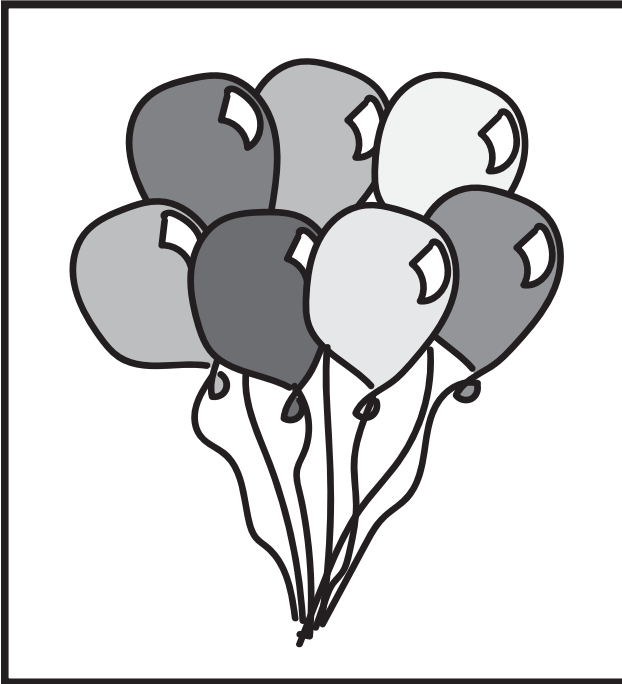

When kids come to Vacation Bible
School, they might check-in or
put on a name tag.

Then they may join a small group
with other kids and a teacher.
The small group will stay
together.

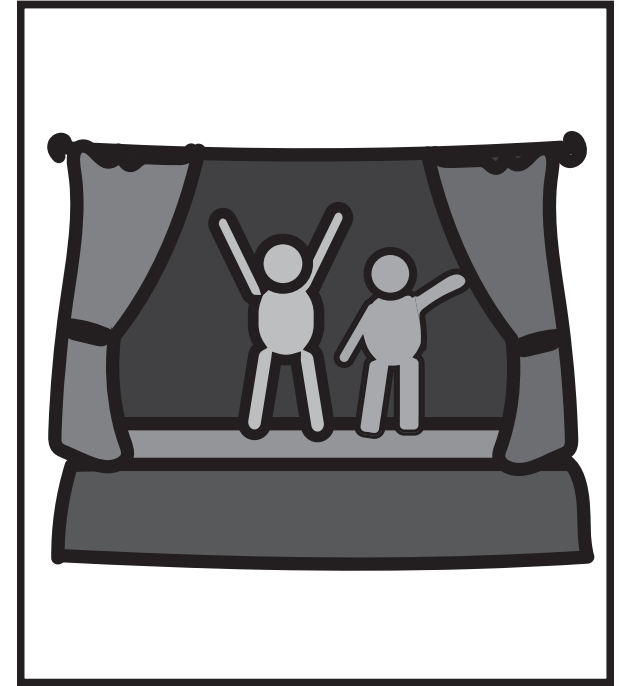

VBS Social Narrative

The church may have a lot of decorations up.

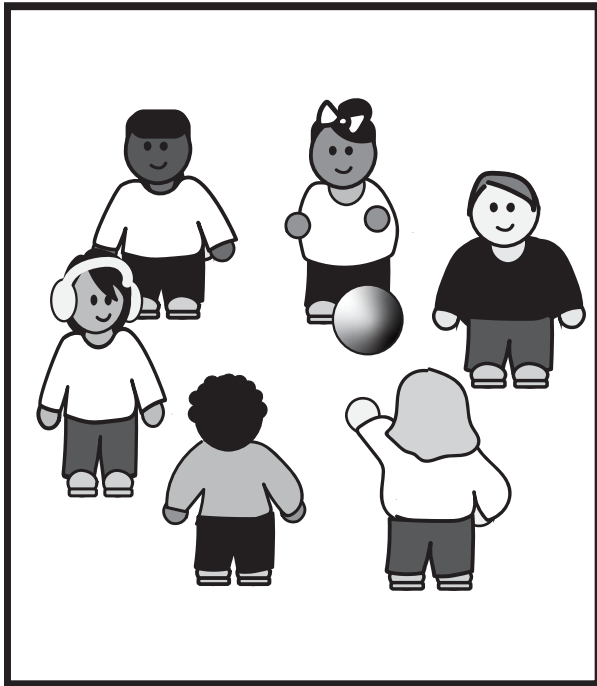

There will be lots of people there. It may be crowded or noisy.

There may be music time or a play. If it is too loud, I can ask for headphones or a break.

VBS Social Narrative

There may be games to play and crafts to make. I can join in or I can watch.

There may be snacks to eat.

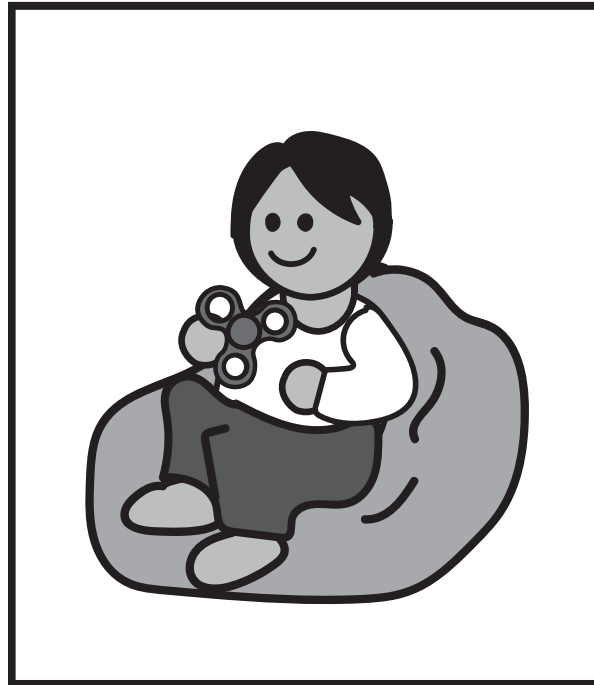

Sometimes we may have to wait our turn. Waiting is hard. I will do my best to wait with a safe and calm body.

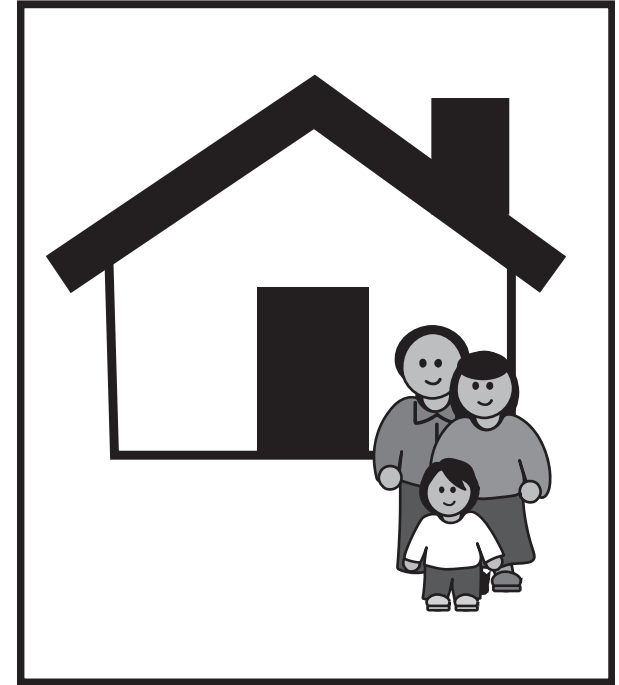

VBS Social Narrative

There may be Bible stories to learn.

If I start to have big feelings, I can ask for a break. When my body feels safe and calm, I can return to my group.

When Vacation Bible School is over, I will leave with my family.
