

# Baptism - Immersion Social Narrative

I am going to get baptized at church.

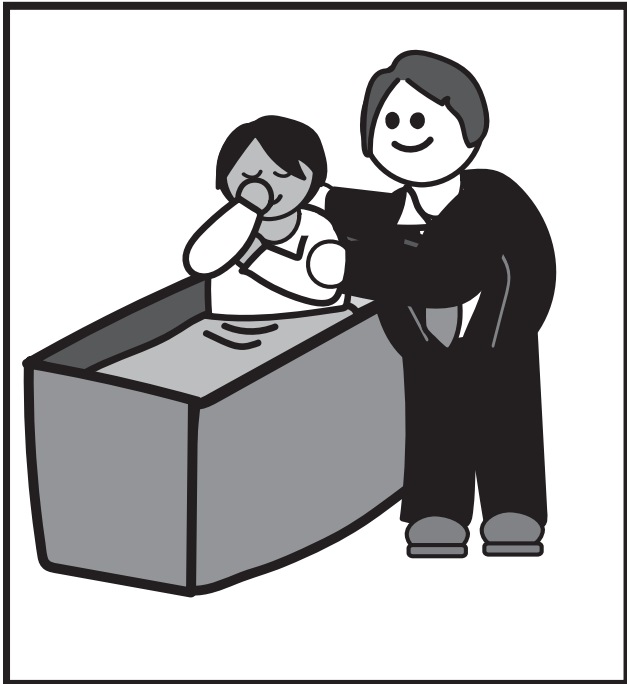

Baptism is a way that we show people that we love Jesus and want to follow Him.

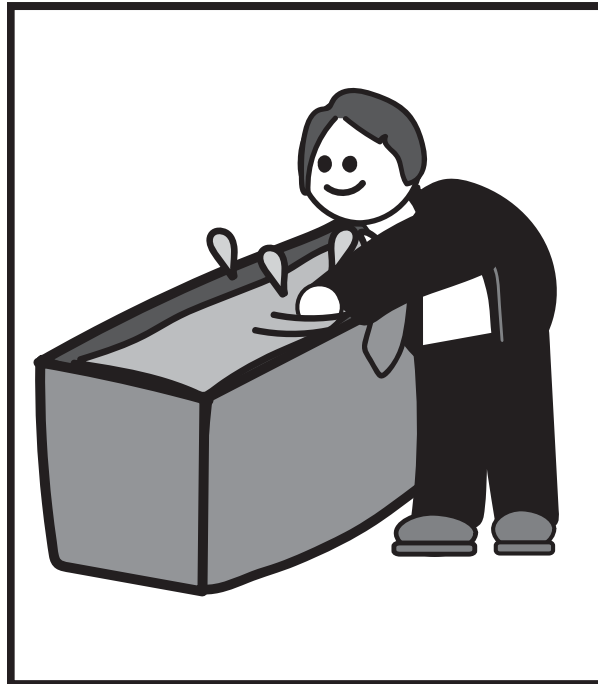

When it's time to be baptized, I will get into a tub of water.

When my pastor tells me,  
I will close my eyes and hold my nose.

My pastor may pray and then  
dunk me under the water.  
Then my pastor will bring me  
right back up.

Then, I will be baptized.
