

# Kid's Ministry First Time Visitor Social Narrative

I am going to visit a new church.

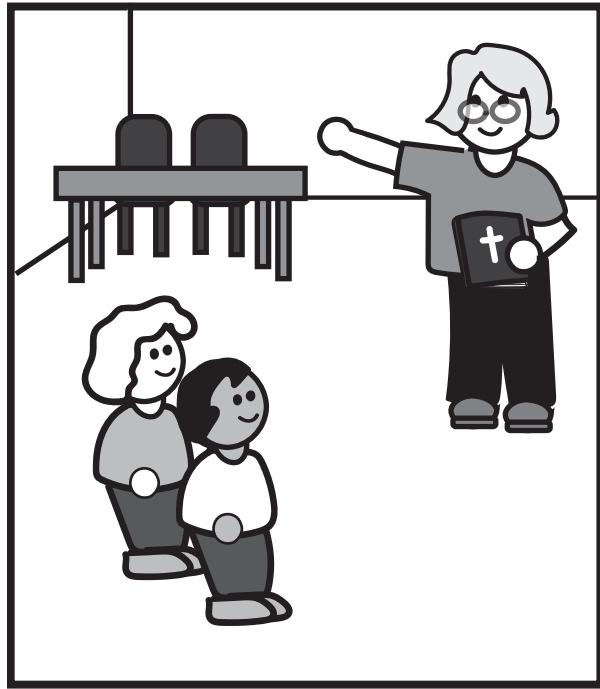

I will be in a classroom with a group of other kids. We will have a teacher.

When we get to class, kids may be having fun before the lesson starts. I may choose something to do too.

When its time for the lesson, our teacher will tell us where to go.

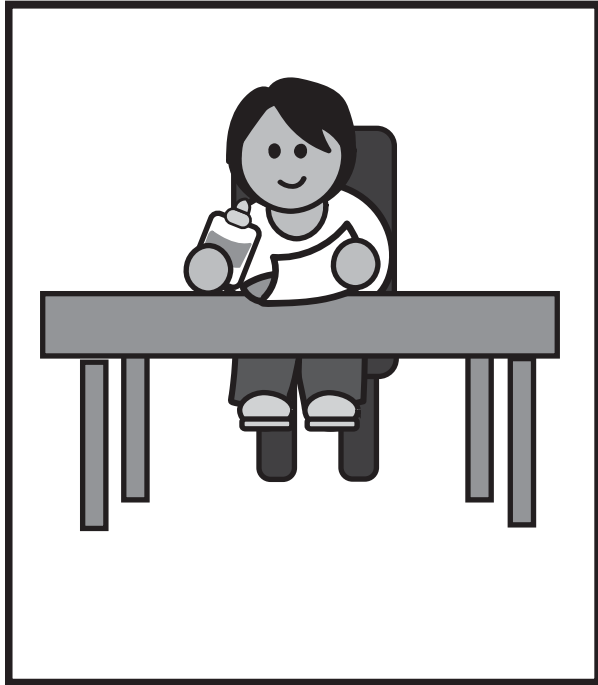

Our class may sing songs or listen to music.

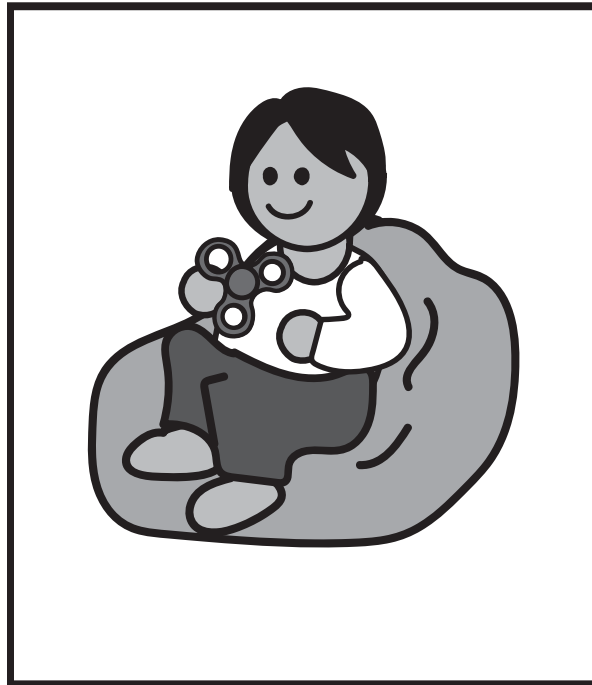

Our class may hear a Bible story and learn about God.

Our class may do a craft or play a game.

If I start to have big feelings, I can ask for a fidget or to take a break.

When class is over, my family will come pick me up.
