

New Teacher at Church Social Narrative

There will be a new teacher
in my class at church.

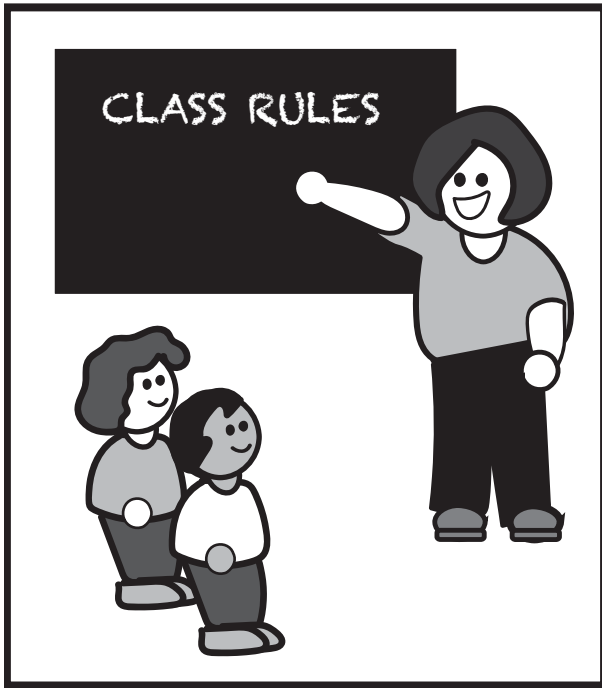

Our class can welcome the new
teacher. Smiling or saying hello
are two good ways to welcome
someone.

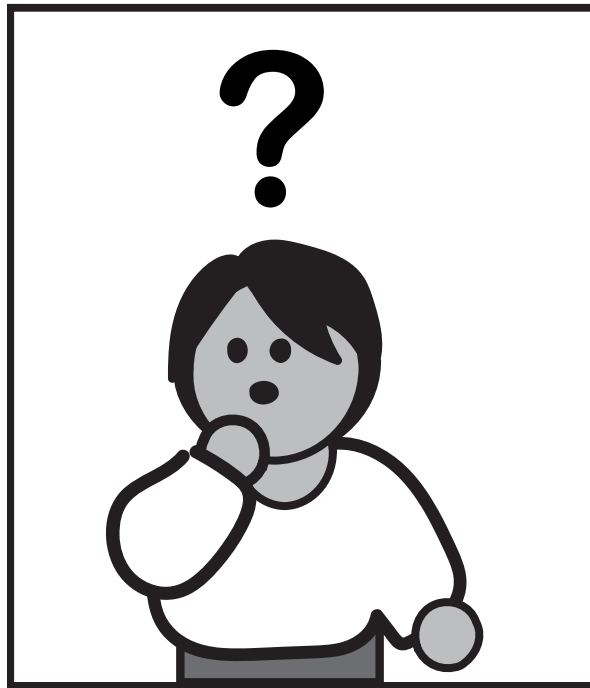

Our new teacher may have new
ideas and do things differently
than our old teacher.

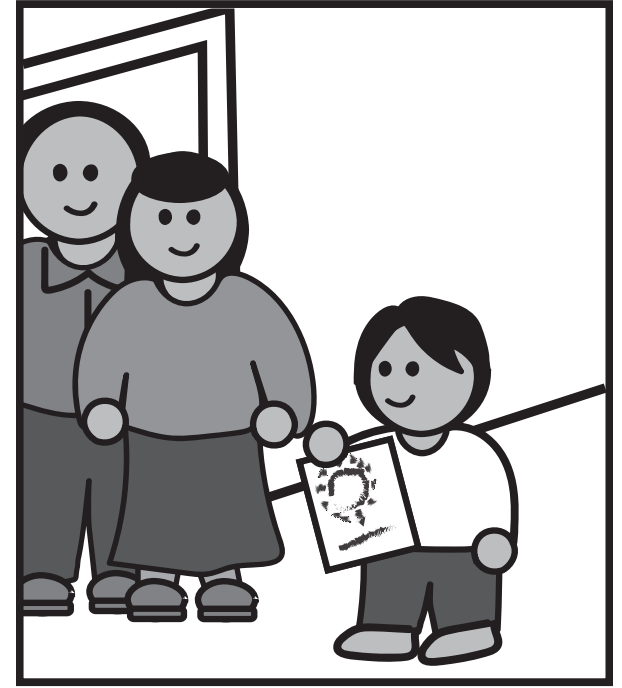

New Teacher at Church Social Narrative

Our class can respect our new teacher's rules.

If I have questions, I can ask my new teacher or a friend for help.

When class is over, my family will come and pick me up.
