

# Taking Communion (Intinction) Social Narrative

I will take communion at my church.

Communion means we will eat bread dipped in juice to remember Jesus.

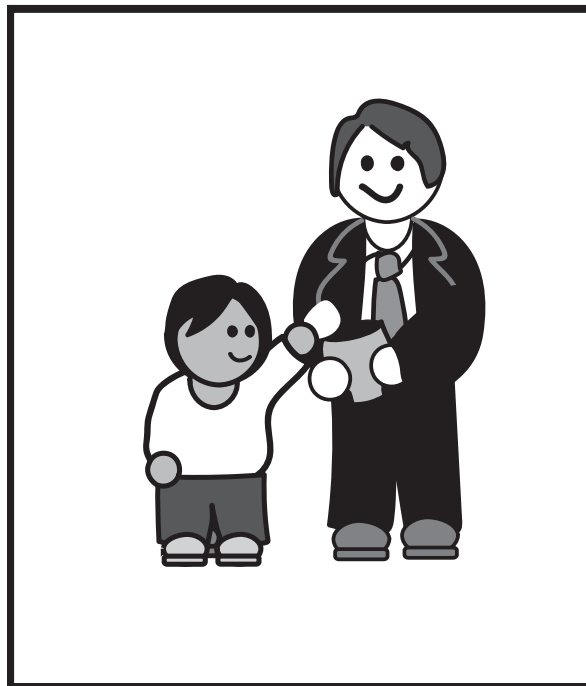

When it's time to take communion, this is when we think about Jesus.

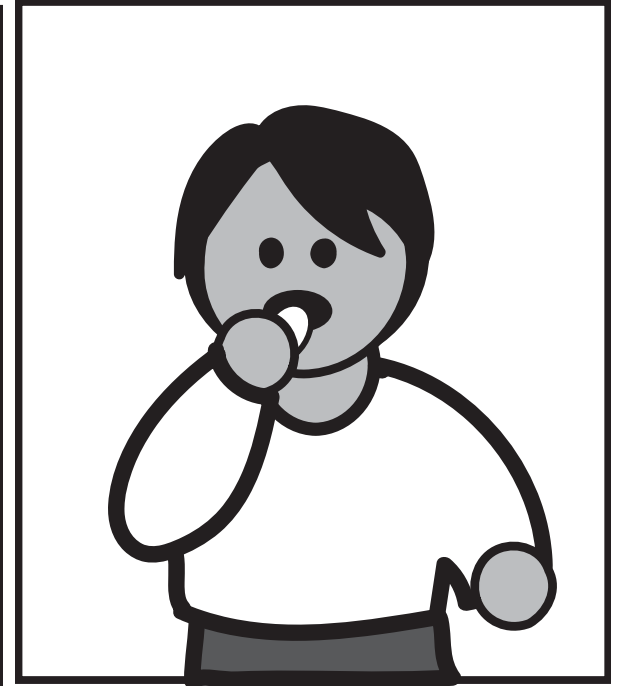

# Taking Communion (Intinction) Social Narrative

When it's time for communion, someone will give us bread and hold a cup of juice for us to dip it in.

I can take a piece of bread. I can dip the bread in the juice.

Then I can eat the bread.
